

CHICAGO AEROSOL™

Cleaners/Degreasers

Brake Parts Cleaner (Non-Chlorinated) — VIA-0003 Can Size: 20 oz. Net Weight: 15 oz.

Description: VIA-0003 helps remove brake fluid, oil, grease and other contaminants from brakes and brake parts, including disc brake pads, brake linings, cylinders, drums and springs. VIA-0003 does not require disassembly of the brake unit. It is a quick-drying formula that will not leave a residue.

Environmental: Does Not Contain Chlorinated Solvents

V.O.C.: Content = 45%. Cannot be sold in California, Utah or New Hampshire.

Applications:	Tools	Brake Parts	Clutches	Brake Linings
	Drums	Disc Brakes	Cylinders	Wheel Bearing Assemblies
	Springs	Drum Brakes	CV Joints	

Engine Degreaser (Non-Foaming) — VIA-0005 Can Size: 20 oz. Net Weight: 16 oz.

Description: VIA-0005 keeps engines, farm and construction equipment and industrial machinery clean and grease-free. Once applied, VIA-0005 soaks in and emulsifies grime and dirt allowing for easy rinse off.

Environmental: Does Not Contain Chlorinated Solvents

V.O.C.: Compliant with All State and Federal Regulations

Applications:	Auto Parts	Marine Engines	Industrial Machinery
	Auto Engines	Farm Equipment	Lawn Mower Engines
	Power Motors	Outboard Motors	Construction Equipment
	Truck Engines	Motorcycle Engines	

Foaming Citrus Cleaner/Degreaser — VIA-0034 Can Size: 20 oz. Net Weight: 15 oz.

Description: VIA-0034 is a single-step cleaner, degreaser and deodorizer. Made chiefly from citrus peel oil, it is an effective organic alternative to chemicals. It possesses impressive solvent abilities. VIA-0034 evaporates quickly without streaking and leaves behind a pleasant citrus scent. It works fast to penetrate and help remove dirt, dust, grease, grime and ink. It is safe on most plastics. Contains 100% d-limonene.

Applications:	Tile	Polished Metal	Tar/Asphalt Removal
	Parts	Wall Coverings	Non-Porous Surfaces
	Floors	Graffiti Removal	Grease Trap Maintenance
	Counters	Printing Presses	Asbestos Shingle Removal
	Fabric Stains
