

CHICAGO AEROSOL™

Personal Care

Root Boost Spray Mousse — 106-88

Net Weight: 8.5 oz.

Product Features and Benefits: 106-88 Boosts roots with long-lasting touchable hold and fullness. Targeted nozzle allows for precise application at the root. Excellent humidity resistance.

Shine Spray — 185-76C

Net Weight: 4 oz.

Product Features and Benefits: 185-76C Shines hair and eliminates frizz without weighing down hair. Added conditioners leave hair feeling silky smooth.

Strong Flexible Hold HS 55% — 187-38

Net Weight: 10 oz.

Product Features and Benefits: 187-38 Resists humidity. Leaves hair feeling flexible with a light to firm hold. Formula is designed for styling and for finishing the hair.

Freezing Hairspray 55% — 224-69

Net Weight: 10 oz.

Product Features and Benefits: 224-69 Protects color, excellent resistance to the effects of high humidity, dries instantly. Shows excellent holding power, manageability, gloss, as well as superior curl retention at high humidity. Contains sunscreens.

Volumizing Mousse 6% — 195-76C

Net Weight: 8.5 oz.

Product Features and Benefits: 195-76C Lightweight volumizing mousse adds volume and body, with high humidity curl retention. Hair is noticeably fuller, with a flexible, touchable hold that gives durability, and shine. Contains sunscreens.

Dry Shampoo — 206-31

Net Weight: 3.25 oz. and 7 oz.

Product Features and Benefits: 206-31 Prolongs hair style and color due to less washing. When hair style is preserved there is less need to expose hair to hot irons and blow dryers which can cause damage to the hair. Less washing also means that more of the hairs natural oils remain while excess oils are removed with the dry shampoo. Prolonging hair color could result in fewer visits to the salon which can save time and money.
